Nika Tavasoly

Information science student with extensive IT and Networking education. Graduating in May 2022 and looking for IT related project management positions, where I can utilize my expertise, skills, and experience to help the company grow and glow. Cisco Certified in Network Administration (CCNA) with years of education in Networking and IT. Very successful in developing educational projects as an associate's and bachelor's student who has also gained invaluable knowledge in marketing and management. Interested in developing web applications including web programming, databases, e-commerce, and project management.
